

## **REFUND POLICY**

The Across the Lake Swim Society (“ATLSS”) is a non-profit Society that relies entirely on sponsorships and entry fees to pay the costs that need to be incurred in order to put on this race. The ATLSS (like many other races) has adopted a No Refund Policy. The reason is that if there were a cancellation of a race, if refunds were provided, then there would not be sufficient funds with which to pay the bills which by race time, have already been incurred. While this is a loss to the competitors, it is also a loss to the many people on the organizing committee who have worked for 12 months to put on this race. This policy is necessary in order that the race can be continued in subsequent years.

Sincerely,

Peter Rudd  
ATLSS - President
